

# WHY JOIN?

Hospice Whanganui is partially funded for our operational costs & the balance we must find through fundraising.

Regular donations are one of the ways we are able to raise the more than one million dollars we need to find each year to keep our services in our community.

We have an experienced professional team who ensure that patients & their loved ones are involved in all decisions made about their care & ensure individual needs are met whether being cared for at home, in hospital or in one of our five comfortable patient rooms at the Hospice.

Your contribution helps fund not only medications & equipment needed to fully support our families, but also contributes to securing the services of highly skilled & specialist staff. It also helps ensure these services to patients and families remain free of charge.

You can join 'Hospice Heroes' for as long as you like. We are deeply appreciative of all contributions & seek to retain the support of our community through the years.

However, we recognise circumstances do change & that people may need to review their membership from time to time.
